

Dr. Paul A. Hall, President and COO of AIV Microbiology & Food Safety Consultants, LLC has over 30 years experience as a globally recognized food safety leader in the Food and Beverage Industry.

Dr. Hall has held food safety leadership positions with ConAgra Foods, Matrix MicroScience, Kraft Foods, Anheuser Busch Companies, and Ralston Purina and he is a Fellow and Past President of the International Association for Food Protection (IAFP).

He has also been actively involved with various professional organizations including the International Life Sciences Institute, American Society for Microbiology, Institute of Food Technologists, National Center for Food Safety and Technology, Food Products Association, among others.

Dr. Hall has lectured extensively around the world on food safety, HACCP, testing and detection methods, and microbiological risk management. He has received numerous awards including IAFP's prestigious 2006 Harold Barnum Industry Award for excellence in leadership and contributions to the area of microbiological food safety for the industry. Under his leadership Kraft Foods was the recipient of the coveted IAFP Black Pearl Award for dedication and excellence in the area of food safety.
